# FREEDOM 250
## SMALL BUSINESS PLEDGE

*As we celebrate America's 250th birthday, this small business proudly affirms its commitment to the values that built this nation and which continue to make our communities strong by pledging to:*

- ★ **Build and grow in America:** we commit to starting, expanding, and operating our business here to strengthen domestic industry, supply chains, and economic independence.
- ★ **Create opportunity for American workers:** we commit to creating good-paying jobs, investing in a skilled workforce, and putting American workers first as the engine of our economy.
- ★ **Advance an America First economy:** we commit to supporting policies that power prosperity and promote hiring, local investment, and growth.
- ★ **Innovate and invest in the future:** we commit to advancing American innovation and productivity so the United States continues to lead the world in technology and manufacturing for the next 250 years.
- ★ **Uphold America's entrepreneurial spirit:** we commit to free enterprise, risk-taking, and resilience - rejecting dependency and embracing the spirit of liberty and responsibility that built this nation.

**WE ARE AMERICA'S SMALL BUSINESSES.**
**WE ARE 250 YEARS STRONG.**
